

# NATIVE FISH AUSTRALIA

## General Meeting

### Wednesday 4 September

NFA (Vic) is excited that the September general meeting will be hosted by Melbourne Polytechnic. The Epping campus offers some of Australia's best industrial training facilities in agriculture, aquaculture, meat processing, and viticulture and winemaking.

On the evening Andrew Christie, lecturer in aquaculture, will show participants the Aquaculture Training and Applied Research Centre and the recirculating aquaculture systems used to raise Murray cod and silver perch. He will also discuss the learning opportunities Melbourne Polytechnic offers its students.

After the BBQ, Tim Curmi from NFA (Vic) will update participants on their current activities.

**WHERE:** Melbourne Polytechnic – Epping Campus  
Corner of Cooper St and Dalton Rd, Epping VIC 3076  
Parking on site outside Building D has been approved (see [Site Map](#))

**WHEN:** Wednesday 4 September  
5.30pm – 6.30pm Aquaculture facility tour  
6.30pm – 7.00pm BBQ or light meal  
7.00pm – 8.00pm NFA General meeting

A BBQ or light meal will be provided at 6.30pm. For catering purposes please email Brian Daniells, [secretary.nfa.vic@gmail.com](mailto:secretary.nfa.vic@gmail.com), to confirm your attendance.
